Wire & Cable:

www.champcable.com

Manufacturer of Customized Wire & Cable for Demanding Environments. Products Include a Variety of Irradiation-Cross Linked Insulations For Commercial, Industrial & Automotive Industries.

Connectors / Accessories:

www.min-e-con.com

Micro-D and Nano Connectors, Contacts on 0.25, 0.020 & 0.050 Centers, Design & Manuf Micro-D Mil-DTL-83513, Strips Cable Assemblies, PC Mounts & Harnesses

www.filconn.com

manufacturer of custom aerospace & mil spec grade specialty connectors. Primary focus is filter & transient suppression connectors however, can make a wide variety of unique devices that are engineered for specific applications

www.sks-kontakt.de

Test & Measurement Devices
Measuring Leads, Crocodile Clips, Sockets, Clamp-type & Oscilloscope Test Probes, Plugs
All-in-1 Solution Kits,

Sleeving / Sheathing / Shielding / Tape & Tubing:

www.arlon-std.com

Self Fusing Silicone Tapes, Precision-Calendered Composites & Silicone Based Heat Sink Adhesives (Thermabond)

www.techflex.com

Expandable, High Abrasion Resistant & Flame Retardant Protective Sleeving

www.hst tubing.com

Vendor of choice for Heat Shrinkable Tubing: Polyolefins (thin, medium & heavy wall) Adhesive-lined, Automotive grade, Kynar, PVdF, Neoprene, Diesel Resistant, CATV tubing Fluoroplastic and now Fluoroelastomer tubing
Serving the US, Canada & Mexico.

Printed Circuit Boards:

ROYAL FLEX
CIRCUITS

www.royalflexcircuits.com

Same Day / 24 Hr Turns
Weekend Turns
Proto & Quick Turns
Low to Mid-Volume
Exceptional Service

Rigid, Flex & Rigid Flex 1-12 Layers, Heater Flex & Sculptured Flex, Custom Terminations, .006" Drill & .004" Laser Hole, .003" Trace and Space, Controlled Impedence, Extra Long 32" Flex, IPC Class II and Class III

www.nationaltech.com

Multi-facility manufacturer of single sided, double sided & multi-layer (up to 18 layers) printed circuit boards. Capable of supporting "quick turn" prototypes (24 hour to 10 day) with standard production lead-times of 3 weeks
ISO9001-2000 certification

Cable Assemblies:

www.strantech.com

Development and manufacturing of fiber optic and electrical connectors, cable assemblies, termination tools, training and interconnection systems for commercial & military applications

www.yccable.com

Computer, Consumer, Fiber Optic, Medical, Networking & OEM Cable Assemblies.
UL, CSA, ISO9001, ISO14001, QS9000

Masking / Hanging / Protection:

www.echosupply.com

Standard and custom masking, hanging, OEM components and assemblies and protection products

LED Control Systems:

www.eucontrols.com

complete line of high performance full color LED control systems, DMX drivers/decoders, and LED dimmers

Switches/Keyboards

stacosystemsTM

One Step AheadTM

www.stacosystems.com

LED Pushbutton Display Switches
Custom and Build-To-Print Subsystems
Rugged, NVIS-Compatible Keyboards
Custom Keyboard and Keypads
AS9100, MIL-SPEC and FAA Certifications

Thermal Management Solutions:

www.coolingsource.com

Offering value-added standard & custom heatsink solutions for consumer, telecom, power conversion, LED lighting, & solar markets

Custom Machined Parts:

www.tcprecision.com

Precision Machined Parts
Quickturn, Small Production Runs,
Custom Proto Tooling Capabilities
